HelloMage - Delete Invoice settings

## Settings options

**Enable:** This decides whether admin wants to enable the feature

**Delete after redirect to:** This decides to which page admin wants to redirect after invoice delete. We have following pages available

1. To order view (default)
2. To invoice listing
3. To order listing

**Delete notification email sender:** This decides which identity need to use for system notification email about delete invoice.

Delete notification email sender [global]

te notification to following emails [global]

Comma-separated

- ✓ General Contact
- Sales Representative
- Customer Support
- Custom Email 1
- Custom Email 2

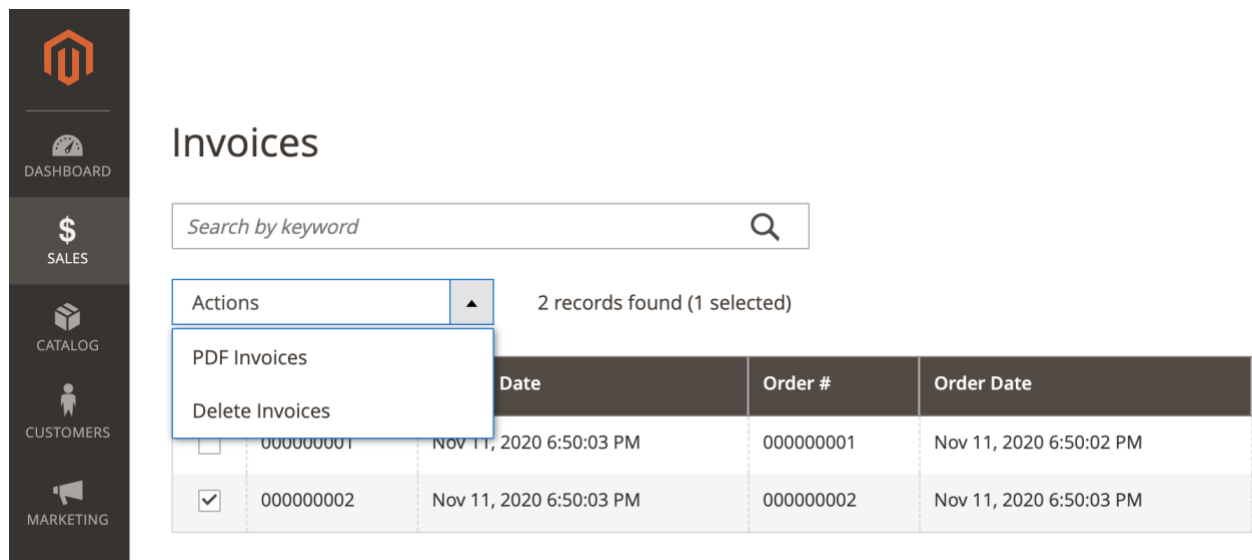

**“general”** will be selected as default.

**Send delete notification to following emails:** This is place where admin needs to put their email address. One email can be entered here, or multiple emails can be entered in form of comma separated manner.

E.g.: [abc@test.com](mailto:abc@test.com),[cdr@test.com](mailto:cdr@test.com)

## What do all the places "delete" invoice option available?

1. As mass action inside **admin > Sales > Invoice grid**.

**Invoices**

Search by keyword
